

Jesus Centric Mind Prayer

Father God, I come to you right now, in Jesus' name, to declare the commitment of my mind, emotions, and behaviors to Your Will.

I know that my peace in You, Creator of all things, guards my heart and mind, transcending all understanding through Holy Spirit. I disappear the old way of conforming to the human world. Now I am transformed because my mind is renewed. Moment to moment, I begin with testing and proving my will to Your Will, which is good, pleasing, and perfect.

The Bible and anything beyond the Bible that points to You, as Creator of all things, declares that I am created with the mind of Christ, the same mindset of Jesus. I bring this same mindset of Jesus into all my relationships with people, all of whom are also created with the mind of Christ.

You have put Your Will in my mind and have written it on my heart. You are my God, and I am Your Holy Host. Every moment of the day I focus my thoughts on You, Father, and Your Will for my life. With an alert and fully sober mind, I set my hope on the grace to be brought when Jesus is revealed at His coming.

You keep me in perfect peace as my mind is steadfast, because I trust in You. For though I live in this human world, I do not wage war as the human world does. For the weapons you have equipped me with are not the weapons of the world. The weapons I fight with have Your divine power to demolish thinking that is out of alignment with Your Will. I demolish arguments and every claim that sets itself up against the knowledge of You, God. I take captive every thought to make it obedient to a Jesus Centric Mind.

Father, I set my mind on Your Will, instead of my human will. For Holy Spirit, which You have given me, gives me power, love, a peaceful mind, and self-discipline. Whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable, anything excellent or praiseworthy, and the attributes of Jesus which are eternal, holy, unchangeable, and infinitely wise, I think on these things.

Now, I live from my Eternal Identity, I am a new creation now. My false thinking disappeared! You renew me with a Jesus Centric Mind. Amen.
